

BRITISH HOSPITALITY AND PREMIUM SERVICE AT MLAV RACING

Hospitality, seamless organization, and a relaxed atmosphere – that's how customers describe the Team Experience at MLav Racing, the British development team in the Grand Prix circuit. In 2025, the Moto3 team will hit the track with two ambitious newcomers. Eighteen-year-old Brit Eddie O'Shea had a taste of the Grand Prix adventure late last year and is now gearing up for a full season. His teammate, 20-year-old Spaniard Marcos Uriarte, has proven his talent in various youth competitions and is eager to shine at the highest level. Off the track, MLav Racing takes hospitality to the next level. The hospitality team goes above and beyond to meet every customer's needs and create a tailor-made package. From a spectacular moment on the service road to exclusive access to the pit box and pit wall – during a Team Experience, you'll get a behind-the-scenes look that's unmatched anywhere else.
