Young talents in a Dutch ambience

RW Racing GP is the only Dutch team in the Grand Prix paddock. The team brings the youngest Moto2 rider line-up ever to the grid. Dutchman Zonta van den Goorbergh is only 16 years old and is a Grand Prix rookie in 2022. Belgian Barry Baltus will be competing for his second season in Moto2 and he is 17 years old. Both riders left a strong impression during the first races, but they want more!

There is a friendly atmosphere in the RW Racing GP hospitality. Team manager and riders are approachable. But in the box you will find experienced team members with two young talents, who want nothing else than become the best rider in the world. A nice combination to experience yourself with a SportTravel Team Experience.
